For circulation among the members of the Committee for the management of the Maha Rani girls school Mysore

— · —

In circulating the accompanying papers relating to the resignation of Miss Ridsdale of the post of Lady Superintendent and to the temporary appointment of Miss Hood, I beg to be permitted to observe as follows –

As the school contains many grown

grown up girls and women, the presence of a Lady Superintendent is always necessary The Head Master will be in charge of the curriculum and the teaching work, but for all other purposes a lady is necessary in addition to him The Committee is therefore anxious that the school should not be at any time - even for the shortest period - without a Lady Superintendent.

For

For this purpose they recom-
-mend that Miss Hood be tem-
-porarily appointed for a peri.
of two or three months, from the
1st. of October until the arrival of
the permanent Lady Superin-
-tendent to be newly appointed
Miss Ridsdale suggested Miss Hood

vacancy Miss Hood has been

months past, has visited the
